

ULADZISLAU YERASHEVICH

Los Angeles, CA • U.YERASHEVICH@GMAIL.COM • (323) 873-3507

PROFESSIONAL SUMMARY

Passionate about building scalable, high-performance applications, I started my journey with Swift, developing sleek, intuitive iOS apps. Over time, I expanded my expertise into React Native, React, and Node.js, crafting dynamic web and mobile solutions.

Beyond frontend and backend development, I've worked with AWS Lambda, Android development, and Python projects

EMPLOYMENT HISTORY

FACEWARE

Jun 2022 - Present

SOFTWARE DEVELOPER Los Angeles, CA

Joined a Software Development Team, contributing to various projects across mobile, web, desktop, and backend:

- iOS Development (Swift): Built new screens, implemented business logic (including payment integration, AWS Cognito)
